

# CANNIBAL OX

## GOTHAM

A photograph of two men in a dimly lit room, possibly a recording studio or rehearsal space. The man on the left is wearing a dark t-shirt and is holding a microphone. The man on the right is wearing a white t-shirt and is holding a bottle. They are both looking at each other and appear to be in conversation. The lighting is dramatic, with strong highlights and deep shadows.

"This single marks the return of Cannibal Ox. Known for our raw, gritty and powerful Hip Hop music. All three songs rep who we have always been, real musicians who love our craft and the vision of our art is just as serious as life itself."

This is pure Hip Hop at it's best. Can Ox and our everlasting crew Crimson Godz are back and this time around no 'Sucka Mc's' shall be left alive!"

Look out for IGC / Below System, this is our year to shine!
